cf G.O. No. 179 F/32] From the Bd. of Rev. (L. & R.) Rep. No. R3 & 3/31-3 dt 12.1.32

To U.S.

Please see the Bd's repn in the cf. The lands in question were alienated in 1918. Under condition (2) of the conditions of alienation, the church and the school should have been built within two years from the date of the grant i.e., within 5.7.1920. It will be seen that no notice has been taken of the infringement of this condition for the last 11 years. The Govt may, however, accept the Bd's recommendation that the lands in S. Nos 120-2A, 2B, 2C & 2E may be resumed.

2 As regards the Bd's recommendation in para 3 of its repn, it is submitted that ~~the deep verandah necessary for~~ the Mission should remove (at its cost) the ~~wall~~ mud wall enclosing the lands. It does not seem necessary to pay any compensation for the removal of the wall. For orders
